

why not have your cake...and eat it?

Fused Webcalls Converged Solutions

Webcalls Connect – SIP Trunks

The ideal solution for high volume outbound call centres looking to massively reduce their call costs but have already invested in a PBX. Telemarketing, insurance, financial and utilities companies can all benefit from cheaper calls and increased functionality with no capital expenditure and no disruption to services.

free calls over the internet with no set up costs

- Outbound calls only for immediate cost savings
- Keep existing phone numbers so no change to marketing materials
- Adds features to your legacy PBX
- No limit on concurrent outbound calls made – ideal for volume calling environments
- Maximise an existing internet connection
- Maximise an existing PBX investment
- Competitive call rates and per second billing– massive savings
- FREE on-net calls
- No minimum call charge
- Quick time to market
- No set up costs and no monthly fees – pay for calls only
