

why not have your cake...and eat it?

Fused Webcalls Converged Solutions

Webcalls Hosted – Hosted IP PBX

Location, device and network independent and fully managed with BT number porting. Allows for fixed costs and real time CDRs for active planning and monitoring. As a hosted service, the solution is future proofed and is a 'quick to market' solution.

flexible solution that will grow with your business

- Low administrative overheads
- Flexible solution to grow with a business
- Low call rates with no minimum call charge
- Free on net calls
- UK geo and non-geo numbers plus international numbers to increase your corporate profile
- Low capital outlay
- Excellent solution for remote/home workers – easy to set up and can have separate bills

Ideal for companies looking:

- for a professional image
- for an overseas presence
- to move frequently
- to maximise their internet investment
- to avoid large Capex
- for a rich featured solution with no hassle
- to keep their number
- to service multiple sites
